

North School Preservation Society
Meeting Minutes, Tuesday, April 7, 2026

Attendance: Ginny Ricker, Francine Provost, Dave Hall, Fred and Linda Kingsbury

Francine called the meeting to order at 6 p.m. in the warming hut.

Minutes

Minutes of the March 3 meeting were motioned and approved.

Treasurer's Report

Ginny distributed the treasurer's report for March. After income from ebay, Facebook Marketplace and miscellaneous yard sale items, and one expense from GMP, the report stands for audit.

Old Business

Dog Park – Ginny donated traffic signs for the driveway alerting drivers and others to the dog park.

Building update – Dave notified members that the window adjacent the back entrance is beyond repair and will be boarded up and eventually replaced.

Property Update – Driveway and property plow damage will be repaired when Dave is available to use his backhoe.

Yard Sale – The first yard sale of the season is Saturday, May 9, 9 a.m.-2 p.m., with setup Friday, May 8, noon-2 p.m. Members are advised that there is a shortage of helpers to haul and setup tents and merchandize as well as to return it to the building afterwards. ***Members are asked to recruit volunteers, especially to be available for hauling merchandise outside and bringing it back in on the morning and afternoon of the sale. All active members are asked to participate if physically possible, knowing that several regular active members are not physically able at this time.***

The business being concluded, the meeting was motioned and adjourned at 6:20 p.m.

Next meeting: Tuesday, May 5, 6 p.m. in the warming hut.
